

## Leonard Lance's Jobs Plan

### Begin Living Within Our Means

- Require a Balanced Budget Amendment to the Constitution.
- Require a Statutory Spending Limit.
- Cut Spending to Immediately and Substantially Reduce Deficits.

### Reform Tax Code To Spur Economic Growth

- Simplify and Reduce Business and Individual Tax Rates.
- Make Research and Development Tax Credit Permanent – the Lance bill.
- Extend and Make Permanent the Small Business Investment Tax Incentive.
- Reduce Taxes on Capital Gains and Dividends.

### Unburden The Economy From Washington Regulations

- Prohibit EPA from Regulating Greenhouse Gases under the Clean Air Act.
- Repeal 1099 Small Business Mandate – MISSION ACCOMPLISHED.

### Enact A National Energy Policy

- Expand Off Shore Drilling in Gulf and other areas.
- Eliminate Wasteful Energy Subsidies like ethanol.
- Nuclear Power – streamline permitting process and increase loan guarantees.

### Adopt Common Sense Health Care Solutions

- Repeal ObamaCare.
- Enact Meaningful Medical Malpractice Liability Reform.
- Allow for Purchases of Insurance Across State Lines.
- Provide Additional Risk Pools for Small Business.
- Strengthen Health Savings Accounts.

###
